True by Nature
WELCOME

Welcome to the world of Constance Hotels and Resorts.
A world of natural luxury.
One in which we have always followed our instinct to find untouched, exceptional surroundings.
And one where you will find our genuine passion and pleasure for hospitality, for welcoming you, always on display.

We invite you to join us in our 5* Hotels and Resorts.
And on our lush golf courses, as well.
All are situated in the most extraordinary corners of the world.

They are places where you can relish the good things.
And share them with those you care most about.
It is in our Mauritian heritage. No detail left unturned.
Come. Be yourself, rest assured we will too.
And be sure to come back and see us again and again.
Nature has always been our greatest inspiration. An inspiration that guides us in finding rare properties that have kept their original beauty and innate purity. We are proud to share our locations and our dedication to natural luxury with the rest of the world.

Our first wish is to provide a rare and precious commodity to our guests: choice. In all of our hotels and resorts, we offer a great range of restaurants, bars and activities. From golf to spa, diving to climbing and tennis to the wine cellar… Luxury is all about choice.

For us, fine cuisine and wine are key. All of our talented chefs and sommeliers have their own style and character with a common goal: help our guests relish the good things in life. Our extensive range of wines, carefully selected from some of the world’s finest winemakers, as well as our refined and inventive cuisine, surprises our guests on a daily basis. For more than ten years, we have hosted the Bernard Loiseau Culinary Festival, an occasion to celebrate and share our love for cuisine and wine on a wider level.

Indian Ocean islands are ideal for reconnecting with your loved ones. Our properties and locations are couple and family friendly. Everyone can enjoy different activities and still spend quality time together. Kids can have fun at the Constance Kids Club, while there are also teen-specific activities for them to enjoy their independence, wedding venues for lovebirds to take the big leap, honeymoon packages for newlyweds to create their first wedded memories.

Whether it is in Mauritius or in the Seychelles, along a white sandy beach or in the heart of an indigenous forest, sprinkled with natural ponds, native plants, volcanic rocks… Our three 18-hole golf courses have exceptional views. But dealing with the course is not the only challenge we offer. For 16 years, we have been hosting the Mauritius Golf Open and since 2009 tournaments in collaboration with the European Senior Tour, which top players from all over the world attend annually.

We are proud of our multi-award-winning properties. Our luxury hospitality standards have been recognised by multiple independent organisations. Three of our hotels are part of the Leading Hotels of the World collection and the TripAdvisor awards (Traveller’s choice and Certificate of Excellence) reflect the guests’ high opinion of the luxurious experiences we provide. Last but not least, our hotels and resorts are Green Globe certified, a testament to our commitment to the environment.
8 hotels and resorts and 3 golf courses in five dream destinations (Mauritius, Seychelles, Maldives, Madagascar and Pemba, Zanzibar).
