

The logo for Constance Cellar features a circular icon with a stylized 'C' and a wine glass shape inside, positioned to the left of the word 'CELLAR'. Above this, the word 'CONSTANCE' is written in a smaller, sans-serif font, preceded by a circular icon containing a stylized 'C' and a wine glass shape.

CONSTANCE CELLAR

The cellar book you are about to flick offers more than 1000 references and some 12,000 bottles from 10 different countries.

The love of good wine is part of the DNA of Constance Hotels & Resorts, and we are proud to share with you this passion ... devouring!

Jerome Faure, the Chief Sommelier of this famous group, has developed for over ten years an extraordinary network of winemakers, sommeliers and traders, with one goal in mind: to offer the best and fullest possible selection in the Seychelles.

Browsing vineyards and wine fairs around the world, **Jerome Faure** carries the bulk of purchases directly with producers and is responsible for delivering the wine to Praslin in refrigerated container.

Be guided by our Head Sommelier **Cyril** and his team who will direct you to the best choices according to your mood and expectations.

Good tasting!

Some practical information:

Our red wines are served cooler than in Europe, in order to offset the effects of the outside temperature.

The wine prices are certainly higher than in Europe, and may possibly surprise you, even if we practice similar ratios to the rest of the industry. Rates include indeed many government taxes and significant logistics costs.

Let us help you to find your way into this vinous book...

Champagne (15 cl)

Deutz Brut Classic, N/V

345

Providing a perfect balance between finesse and power, it draws out flavours of dark chocolate, cinnamon and roasted yellow figs, expressing its subtle and melt-in-the-mouth vinosity.

White Wine (15 cl)

France

Côtes du Rhône, "Inopia" Lucien Lemoine 2014

210

Light, bright yellow. An exotically perfumed bouquet of fresh citrus and orchard fruits, iodine, honey and white flowers lifted by a chalky mineral overtone. Blends power and finesse with a deft hand and finishes sappy and very long, displaying repeating mineral and floral qualities

New Zealand

Milton, "Te Arai" Chenin Blanc 2016

190

Aromas of white peach and acacia flowers give a pleasing brightness and energy. A hint of oak adds a wave of texture. The aluvial soils are reflected in the wet-stone minerality of the finish. A versatile food wine, particularly suitable with seafood, cheeses and summer salads

South Africa

Whale Pod, By Creation, Sauvignon Blanc 2017

200

Bright, pale yellow, with lime green tinges. Offers aromas of gooseberries with a hint of lychee and a leafy complexity. Tropical and herbaceous characters continue on the crisp acidic palate.

Dorrance Blanc, Viognier 2018

180

A naturally made wine from carefully selected grapes. Highly aromatic, with hints of Jasmine, aromas of white peach with slight overtones of oak on the nose ending in an elegant and smooth palate.

Rosé Wine (15 cl)

France

Côtes de Provence, Château Minuty "M de Minuty" 2017

200

Delicate floral aromas, with hints of minerality are prominent on the nose. The palate is soft, fresh and supple, finishing with a balanced acidity. Traditionally the wine is served chilled on its own, but also marries well with salmon and fresh dishes.

Red Wine (15 cl)

New Zealand

Schubert, Pinot Noir 2016 240

Ruby red in colour. Rich, luscious bouquet offering layers of fresh and lively spice. A delicious entrance of sweet ripe fruit with notes of cherries and red currant, layers of aromatic spice with a hint of orange peel leading to a savoury core with subtle tannins. A medium bodied wine with velvety texture, creating a tasting impression.

Milton, Crazy by Nature "Cosmo" Malbec/Syrah 2015 180

Cosmo Red is a totally juicy, velvety textured red wine. With a backbone of Malbec, wild tang of Syrah for spice and the soft fruity notes of Viognier - this is serious red looking for a serious meal ; venison or roast beef. Prepare to be very impressed

France

St Joseph, Jean Michel Gerin 2015 220

Youthful purple with smoky, focused dark berry and violet scents are sharpened by a suggestion of cracked pepper. Juicy and focused on the palate, offering bitter cherry and black currant flavors that show an open-knit character and appealing sweetness

South Africa

Alheit, Flotsam&Jetsom, Cinsault 2016 180

Perfumed raspberry, black plum on this bright, authentic, dry-farmed cinsault. The pure black fruit continues on the medium palate, lined with a light resin branch and framed by a raspberry tuggy grip. Drinking beautifully now.

Dessert Wine (8 cl)

France

Sauterne, Château l'Ecole 2015 300

“Golden orange in colour, with delicate aromas of nougat and honeycomb. The palate has a fresh acidity with flavours of Seville marmalade and elegantly dried apricots. These fruity notes are married with sandalwood and allspice giving us an aromatic, but yet an elegant and endless finish.”

Maury, 'Vintage', Mas Amiel 1980 290

1980 was a great vintage for Mas Amiel. The wine has a surprising freshness and is beautifully balanced. An aged wine with a powerful nose and mature flavours. Great Pairing with CIGARS

...Jura...

Vin Jaune (French for "yellow wine") is a special characteristic type of white wine Jura region in eastern France. It is similar to dry fino sherry and gets its character from being matured in a barrel under a film of yeast, known as the "voile", on the wine's surface. Vin Jaune shares many similarities with sherry, including some aromas, but unlike sherry, it is not fortified wine. The wine is made from the savagnin grape, with some of the most premium examples coming from the marl based vineyards in the Château-Chalon

Etienne Sauzet

Etienne Sauzet (1903-75) founded a domaine of approximately 12 hectares and established the Sauzet name as one of the top addresses in the village. The domaine was taken over by his son-in-law Gérard Boudot in 1974, but in 1991 the inheritance was split up between the three grandchildren, one of whom (Jean-Marc Boillot) chose to take out his share. The vineyards have been farmed organically since 2006 and after two years of experimentation all switched to biodynamic cultivation from 2010. The grapes are sorted to remove grey rot where necessary, then pressed without crushing and fermented without crushing and fermented in oak until racking into tank before the next harvest, for a further six months ageing on the fine lees. The premiers crus receive between 20 per cent (La Garenne) and 33 per cent (Combettes) new oak with 40 per cent for the Grand Crus.

...Languedoc-Roussillon, Provence & South West...

Until the late 80s, the wines of Languedoc-Roussillon & Provence were mostly rustic, roasted, with no interest. But wine production in this sun-drenched, crescent-shaped region hugging the Mediterranean from the Maritime Alps, passing through the Rhone delta to the Spanish border has undergone a sea change in recent years. Today the Languedoc-Roussillon & Provence offers riper & textured red & white wine.

...Provence & Languedoc-Roussillon...

Until the late 80s, the wines of Languedoc-Roussillon & Provence were mostly rustic, roasted, with no interest. But wine production in this sun-drenched, crescent-shaped region hugging the Mediterranean from the Maritime Alps, passing through the Rhone delta to the

Spanish border has undergone a sea change in recent years. Today the Languedoc-Roussillon & Provence offers riper & textured red & white wine.

...South Africa...

Before the last 10 years South African Wines barely crested the bottom of the grocery store shelf. Most of the wine produced in the country went directly to be distilled into brandy. Today the story is changing. South African wines have emerged as both some of the best valued red and white wines and in the highest quality.
